Committee Purpose:

The Committee for Family Forestlands (CFF) shall advise the Oregon Board of Forestry and State Forester in matters relating to family forestlands consistent with the Board of Forestry's Forestry Program for Oregon such as but not limited to:

- Maintenance of a viable family forestland base in Oregon.
- Maintenance and enhancement of the positive contributions that family forestland owners make to Oregon's vitality, including timber availability and the protection and enhancement of watersheds and fish and wildlife habitat.
- Evaluating the effects that changes in forest policies have on family forestland owners.
- Formulation of policies and policy option recommendations for family forestland.
- Providing guidance for implementing Department of Forestry program strategies and activities to improve services to family forestland owners.
- Evaluating the types and levels of assistance needed by family forestland owners to fulfill their objectives while considering public values and benefits that are derived from their lands.
- Improving family forestland owners' access to the Board of Forestry.
- Raising public awareness of the role family forestland owners play in maintaining the Oregon environment.
- Improving federal forest neighbor relationships with family forestland owners to help maintain and build viable forest economies.
- The Board and State Forester shall consult with the committee with regard to such matters.
