Community Response Plans for Smoke (CRP)

Request for exemption from the one-hour average smoke intrusion threshold - process overview

OAR 629-048-0180

Community develops CRP & implements the plan

- CRP Resources available

Community's local governing body submit request for exemption from the one-hour average smoke intrusion threshold

- CRP submitted to Oregon Department of Forestry and DEQ for review under the advisement of OHA

CRP reviewers provide comments & suggestions to community

- The exemption shall be granted within 30 days of submission unless ODF and DEQ agree that the plan does not comply with the criteria

Community can revise & resubmit plan for review if adjustments were necessary

- Oregon Department of Forestry will review in conjunction with DEQ & OHA

Plan approved for one- hour exemption

- The one-hour exemption can be applied once ODF, DEQ & OHA approve that the CRP meets requirements

Annual report

- Annual report must be submitted to ODF by Jan 31st each year. Report will be reviewed by ODF, & DEQ in conjunction with OHA
