GRANT APPLICATION:					
Practice	Acres	Rate	Grant Amount	Start Date	Expiration Date
Defensible Space (Around the home – 1 st acre)					
Fuel Reduction (Beyond 1 st acre or areas with no structure)					

This form is intended to give you information about improving the survivability of your property from wildfire. However, survivability cannot be guaranteed.

- This project is funded by the National Fire Plan through a grant to the Oregon Dept. of Forestry and subject to the funding thereof. I request grant assistance to accomplish these practices. I certify that the above information is true and correct. I further certify that the practices will be accomplished in accordance with the practice specifications and other program requirements. I authorize the Oregon Dept. of Forestry representatives to access the site. I agree to maintain the fuel break for ten years.
- I agree to comply with all applicable federal, state, and local laws, codes, regulations, rules, and orders. I also assume sole liability for breach of conditions of the grant and shall, upon breach of the grant conditions that causes or requires the State of Oregon to return funds to the grantor, hold harmless and indemnify the State of Oregon for an amount equal to the funds which the State of Oregon is required to pay to me.
