- Enhancing our staff and infrastructure
- Enhancing the structure of our system by using data with continuous quality improvement

We are Child Welfare

- Mission: to ensure every child and family is empowered to live a safe, stable and healthy life
- Part of a larger statewide social system that works to support children and families and communities

Vision for Transformation

Our Vision for Transformation is based on a belief that children do best growing up in a family and on values related to honoring and supporting cultural wisdom, building community resilience and voice, and ensuring the self-determination of our communities. of color. The goal is an absolute transformation.

We Believe, We Value

- All children deserve to experience safe, stable, healthy lives and grow up in the care of a loving family and community
- Value the voices, experiences, cultures, intellect and uniqueness of the children and families we serve

Be leve

Building the foundation for the Vision for Transformation

- 1. Laying avenues for fairness, equity, inclusion, accessibility, diversity and transparency in our work
- 2. Partner, listen and lift community voices and their decision-making powers

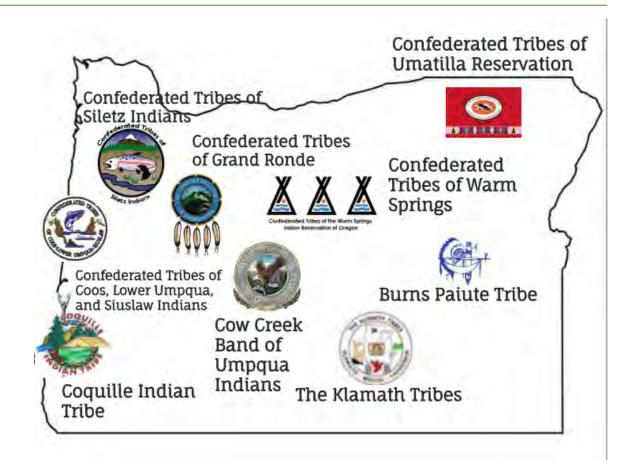

Racial Equity and Anti-Racist Framework

- In our work
 - Keeping families together whenever possible with safety at the core
 - Improving procedures for reunification and coordinating partners to improve time to permanency – addressing racial disproportionality
 - Providing inclusive, equitable and culturally appropriate services to children, young adults and families
- Among staff
 - Retention and recruitment of diverse staff
 - Strong leadership support and prioritization of equity efforts

Partnering with Tribal Nations

- Honor and support our Governmentto-Government relationship
- Tribal Affairs Baskets of Work
 - Tribal Consultations and Partnership
 - Program, Practice and Policy Development
 - Training and Capacity Building
 - Resource Management
 - Research and Data
- Quarterly meetings with Indian Child Welfare Advisory Council
- 2021 Oregon Indian Child Welfare Act (ORICWA) Implementation

Part of building resilient communities

Prevention Focused

- Family well-being focus
- Family First Prevention Services Act is a tool to shift how we support families
- Multi-generational approach
- Engage with community
- Trauma-informed
- Strength-based
- Honor and support self-determination of communities of color

Three Guiding Principles of the Vision for Transformation

1. Supporting families and promoting prevention

- 2. Enhancing our staff and infrastructure
- 3. Enhancing the structure of our system by using data with continuous quality improvement

Integrating the Vision for Transformation in Child Welfare

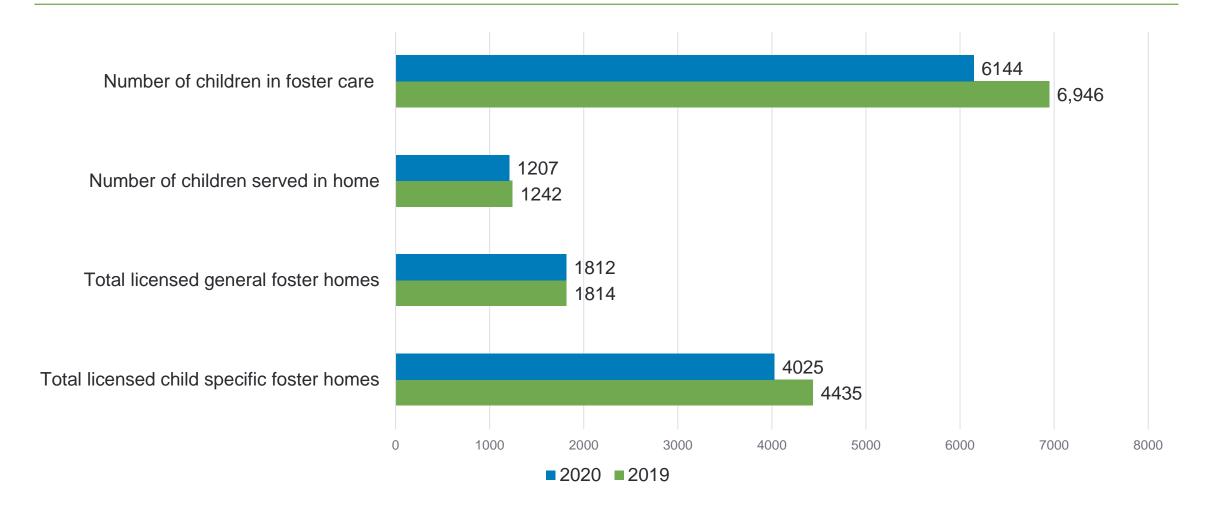

- 1. Who we serve
- 2. How we serve

Who We Serve

- All 36 counties in Oregon
- Tribal Nations
- Children and Young Adults
- Families of Origin
- Foster Parents and Caregivers
- Community Partners
- Providers

Local Staff Structure

Services provided by ODHS Child Welfare staff in partnership with Tribal Nations, community partners and organizations

- 3,398 positions from the Governor's Recommended Budget 21-23
- 74 offices including central, district, branch, satellite, and visitation locations

March 12, 2021 16

Supporting families and promoting prevention

- 1. Oregon Child Abuse Hotline
- 2. Safety Program
- 3. Permanency Program
- 4. Resource Family Supports
- 5. Respite Care for Resource Parents
- 6. Youth Transitions

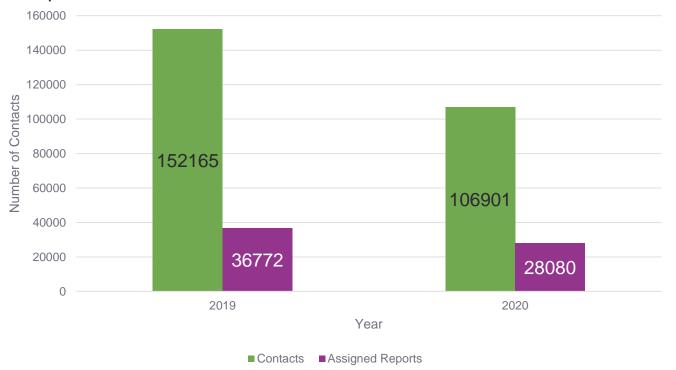

Oregon Child Abuse Hotline (ORCAH)

- Being the first point of contact for community or people concerned about children's safety
- Educating mandatory reporters that poverty does not equal neglect
- Providing 24-hour call center at 1-855-502-SAFE (7233)

ORCAH Data

ORCAH Volume April-Dec 2019 and 2020 Contacts=calls and cross reported law enforcement reports

 Implemented new business processes within ORCAH focusing on Continuous Quality Improvement (CQI) to reduce wait times

Aggregate	2019 (April- Dec.)	2020
Average Wait Time	8.07 minutes	4.33 minutes (1.82 minutes April-Dec.)

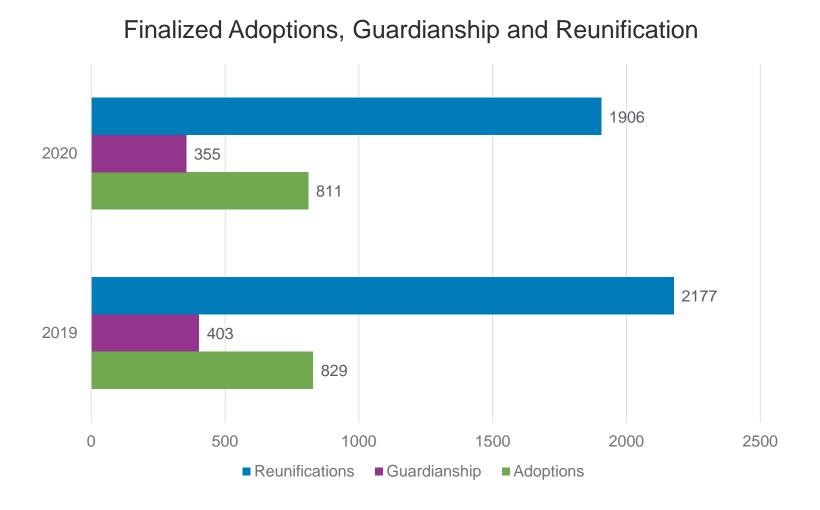

Safety Program

- Provide comprehensive child safety assessments
- Keep child in a home safely and provide supports to families
- Utilize foster care as the last option for intervention

Permanency Program

- Supporting families in reaching permanency as quickly as possible
- Permanency looks like:
 - A child reuniting with their parent
 - A child being adopted out of foster care
 - A child being placed in guardianship
- Post-Adoption Services

\$19.4 million GRB Requested Investment in Respite Care for Foster Parents

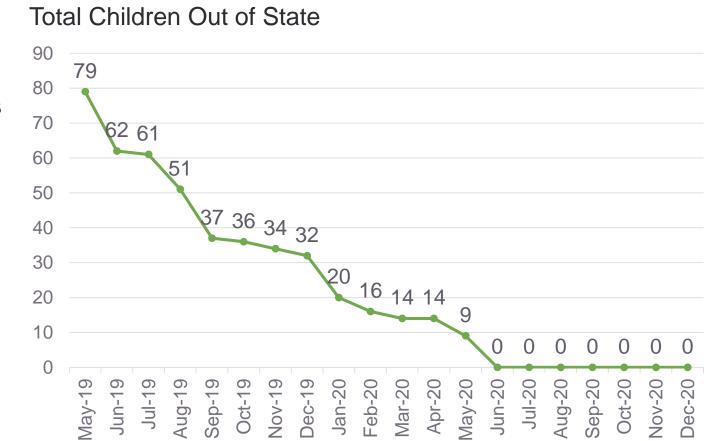

- No current formalized respite care program that would certify pay and monitor respite providers
- Respite care:
 - provides resources for caregivers to care for themselves and their families better
 - leads to greater retention and less burnout of foster families
- Program to be built in collaboration with community partners to deliver these services

Treatment Services

- All children are now served in Oregon and there are no approved out of state providers
 - Contract with Sequel Youth Services was canceled July 2020
- Worked to maintain bed capacity throughout 2020
- Tailor expansions based on individual needs
- Incredible effort to reduce use of temporary lodging
- Plans in 2021 to expand pilot crisis response

Family First Prevention Services Act (Family First)

- Federal legislation passed in 2018
- Expanded the use of Federal Title IV-E funding to include services to prevent the need for foster care
- Created specific requirements for congregate care placements
- Submitted Oregon Family First Prevention Plan for federal review in November 2020
 - Resubmitted in February 2021

Where Family First Fits

- A tool to support Oregon in achieving the Vision for Transformation to build a system that is:
 - Trauma-informed
 - Family and community centered
 - Culturally responsive services
- Services will be part of the state's broader, cross-agency prevention system

Child Fatality Prevention and Review Program

- Child Fatality Prevention and Review Program
- Participated in the National Transformational Collaborative Outcomes Management Conference
- Three large prevention efforts
 - Safe Sleep for infants
 - Suicide Prevention
 - Responding to Chronic Neglect

Oregon Indian Child Welfare Act (ORICWA)

children and families in the Child Welfare system.

Enhancing our staff and infrastructure

- 1. Equity, Workforce Development and Training
- 2. Social Service Specialist Retention and Engagement
- 3. Oregon Indian Child Welfare Act

Equity, Training and Workforce Development

- Workforce development efforts to support quality supervision, transfer of learning and coaching
- Hiring and support of Child Welfare caseworkers.
 - Current caseworker staffing is around 92% of position authority
- Building internal workforce development capacity
- Realignment with training partners
- 19 FTE focused on equity, training, workforce development and well-being, for staff and foster parents

Casework Workforce Movement

- A total of 433 Social Service Specialists (SSS1) were hired
 - 124 SSS1's were promoted within the organization
- The number of separations continue to decrease over time
- The reasons for separations were collected since September

Enhancing the structure of our system by using data with continuous quality improvement

- 1. Comprehensive Child Welfare Information System Implementation
- 2. The Child Welfare Research Agenda

Comprehensive Child Welfare Information System (CCWIS) Implementation

- OR-Kids, the state's information system is being updated to meet the new federal CCWIS regulations
- Goal to improve processes to enhance and support the work
- Monolithic Model → Module Model
- Complete transfer scheduled for second quarter of 2024
- Partially funded by federal government, Administration of Children and Families (ACF)

CCWIS Modernization Program

The Child Welfare Research Agenda

- Research agenda uses data and research to inform decisions
- Research activities include:
 - ORCAH Screening Tool
 - Safety at Reunification
 - Achieving Permanency
 - Staff Engagement Survey
 - Temporary Lodging Tool
 - Tribal Nation specific projects

COVID-19 Response

- Updated guidance on quality parenting time visitation guidance → virtual
- Adapted work process to include remote and virtual work
- Monitoring COVID-19 to continually assess resource needs
- Consulting with Senior Health Advisor between Child Welfare leadership weekly
- Providing greater childcare and respite care fund access
- Partnering with EveryChild (My NeighbOR) and KEEP
- Outreach and additional supports to young adults that were nearing or recently transitioned out of foster care
- Accessing quarantine locations with children in care when necessary
- Increasing virtual engagement with partners

Wildfire Response

- Supported families and children connected to Child Welfare who lost homes
- Quickly relocated children displaced by wildfires to other foster homes
- Local offices took the lead with foster homes and families affected by wildfires to get resources out
 - Increased EveryChild My NeighbOR outreach to prevent families from being overloaded with stress
- Contacted Child Welfare in California to ensure any children placed in California were safe from wildfires there
- Assured any children in programs were safe and facilitated their return to primary locations if they had been evacuated

Accomplishments of 19-21 Biennium

- Eliminated use of out-of-state placement resources
- Continued reduction of children in foster care
- Reduced use of temporary lodging
 - Cross system collaboration with Oregon Health Authority
 - Launch efforts to reduce need for temporary lodging
- Incorporated recommendations from the Child Welfare Oversight Board and Alvarez & Marsal that were directed by the Executive Order
- Comprehensive Training System Assessment
- Created the Vision for Transformation
- Created a Deputy Director role and a team for equity
- Diversified membership of advisory groups

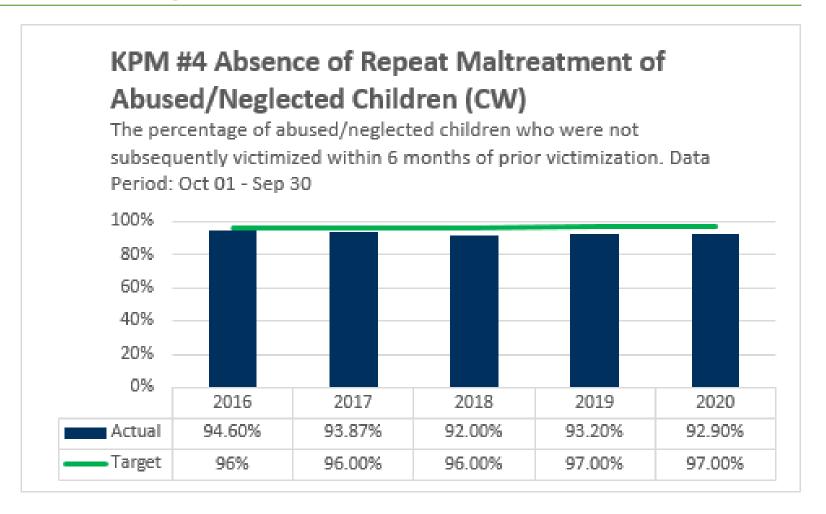

21-23 Biennium Budget

- 1. Key Performance Metrics
- 2. 21-23 Biennium Budget numbers
- 3. 21-23 Strategic Goals

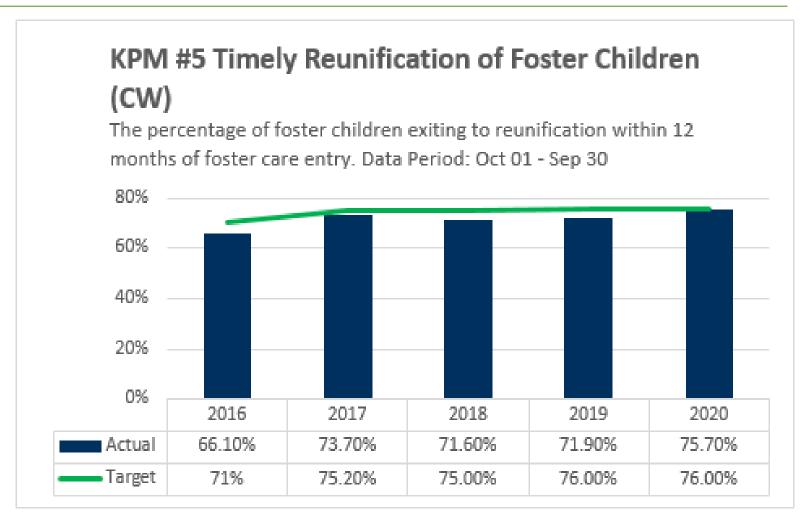

Key Performance Metric (KPM): Absence of Repeat Maltreatment of Abused/Neglected Children

- Conducted root cause analysis to better understand why children may experience repeat maltreatment
- Built resources around domestic violence for staff
- Increased staff training around substance abuse
- Worked with districts on a local level to see how to improve safety planning, management and decision making

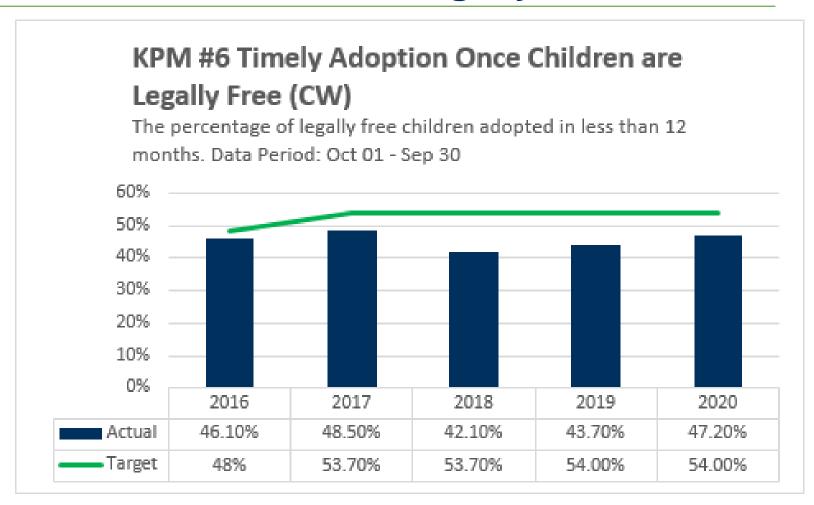

KPM: Timely Reunification of Foster Children

- Intentional focus on engaging parents with case planning
- Developed Family Engagement Plan
- Implemented Early Case Transfer Process
- Training Permanency Consultants

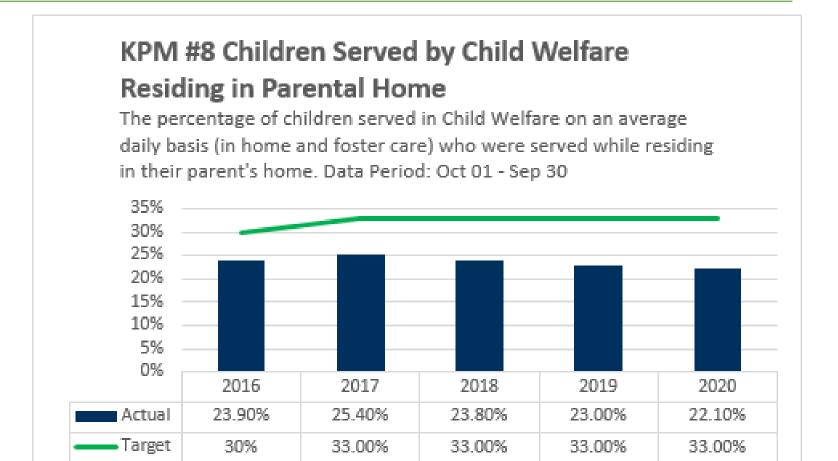

KPM: Timely Adoption Once Children are Legally Free

- Hired paralegals for each district to aid timeliness to permanency
- Family Report
- Developed and use of Adoption Tracking Report
- Partnered with Juvenile Court Improvement Program, courts and other partners create strategies for more timely adoption
- Transitioned to using electronic records and case processing during pandemic

KPM: Children Served by Child Welfare Residing in Parental Home

- Providing in-home supports
- Strengthening,
 Preserving and
 Reunifying Families
 (SPRF) Federal Funding
- Family First
- Provided tools to court and Citizen Review
 Board partners to assist in oversight of steps to finalization

KPMs on Disproportionality, Disparity and Equity

Historically, data shows:

- Native children are more likely to be removed
- African American children are more likely to have longer stays in care

Created two KPMs:

- Disproportionality at entry into care
- Disparity in length of stay for children in care

ODHS Disproportionality Project

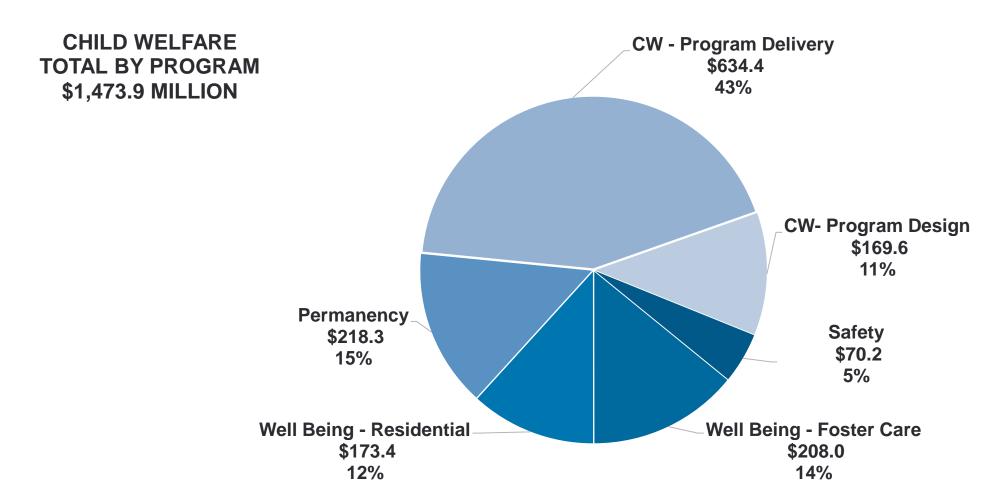

Initial Data Analysis

Deep Dive Research

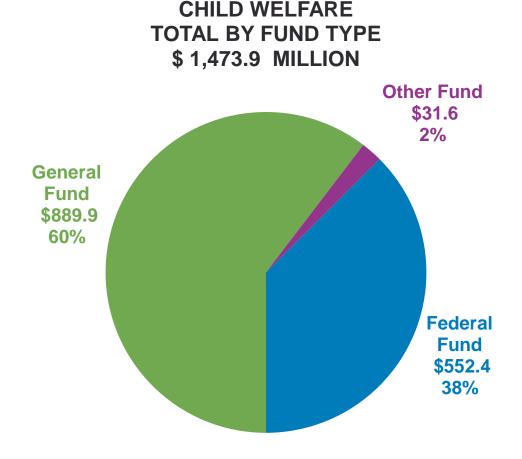

Nuanced Data Leads to Data Informed Solutions

'21-'23 Governor's Budget: Total by Program

'21-'23 Governor's Budget: Budget By Fund Type

- Federal Funding underwent a major shift in 2018
- Federal incentives to provide prevention services
- Child Welfare's Vision aligns with federal policy changes
- States must:
 - Shift to prevention-based services
 - Identify alternate funding streams

'21-'23 Biennium: Priorities and Barriers

Key Priorities

- Developing and maintaining resources to serve children and families
- Supporting staff and foster parents with retention, recruitment strategies
- Case planning to ensure timely permanency for children and young adults
- Engaging with eadership and partners
- Using data to inform decisions and performance

Key Barriers addressed by the budget

- Focuses on prevention services
- Maintains workforce sustainability
- Addresses lack of capacity among staff
- Continues to build engagement with partners
- Commitment to maintaining and developing resources
- Supports equity on all levels

Stabilizing support systems and working upstream

Investments from the Governor's Budget help focus on fewer children entering care and more children served at home

- \$1 million to expand training capacity
- \$15.9 million to increase staffing levels and provide core program infrastructure
- \$4.6 million to create infrastructure for the Family Preservation and Prevention Program
- \$19.4 million to establish an effective respite care program
- Staff support for the Governor's Child Foster Care Advocacy Commission

10% Reductions

50% reduction of Child Welfare Division office expenses: (\$2.7 million)

- Contract capacity of alignment
- 50% reduction of Child Welfare Division travel expenses: (\$2.1 million)

Overview of 21-23 Biennium Goals and Solutions

Implement the Child Welfare Vision for Transformation moving into this next biennium

- Create an equitable system
- Build framework for workforce development and training
- Increase data and continuous quality improvement capacity
- Create Family Preservation infrastructure and diversify prevention services for families
- Implement ORICWA
- Partner with community and agencies to strengthen well-being network for families and children
- Lift voices of those with lived experience
