

Foster Care Ombuds Quarterly Report

GAO activity - Foster Care Ombuds cases closed July 1, 2023 to September 30, 2023

The **Governor's Advocacy Office (GAO)** was created in 1993 as the the Ombuds office for the **Oregon Department of Human Services (ODHS)**, and is also the **Office of Children's Advocate** (ORS 417.810). The role of an **Ombudsman** or **Ombuds** is an independent official who has been appointed to investigate complaints that people make against the government or public organizations. The **Foster Care Ombuds** role was created within the GAO in 2014 to fulfill a requirement of the **Foster Children's Bill of Rights**. The law that created the Bill of Rights required ODHS to "have a hotline phone number that is available to the foster child at all times for the purposes of enabling the foster child to make complaints and assert grievances regarding the foster child's care, safety or well-being" (ORS 418.201(7)).

ORS 182.500 requires Ombuds offices to report to the Governor in writing quarterly including a summary of services provided and recommendations about the Department for which the Ombuds provides assistance.

Foster Youth Information and Demographics

The Foster Care Ombuds tracks demographic information about the Foster Youth who are the subject of our cases. At the recommendation of the Foster Care Ombuds advisory group, *this report now includes **all** foster children associated with the complaint.* This includes siblings or other foster children whom were a part of the specific complaint. This information is collected from the Child Welfare case management system OR-Kids so that the Foster Care Ombuds can track trends affecting Foster Youth overall and plan outreach efforts accordingly.

Case Resolutions

At the conclusion of a case, the Foster Care Ombuds must record a **Finding**, which documents the result of their review of each concern in pages 5-9. Ombuds may also develop **Recommendations** to the local office or ODHS leadership. Per ORS 182.500, significant recommendations of global importance will be shared with the Governor's Office. **Ombuds or GAO Action** is the way this office documents mandatory reports and other actions outside of normal case management.

Foster Care Ombuds Quarterly Report

Appendix

Glossary of frequently used terms

Branch - ODHS office most closely associated with the case primary participants. Cases may have more than one associated branch.

Case - GAO's complete record of working with individuals through their ODHS concerns. Cases are finite and concern-specific.

Concern - GAO's system for categorizing and tracking common ODHS concerns.

Finding - the specific outcome of GAO's resolution. These are fully defined on the right of this page.

Information Only - a type of GAO case where GAO recognizes the concerns as outside of ODHS' jurisdiction or it is a concern previously reviewed by GAO. Typically no concerns or findings will be recorded for 'Information Only' cases.

Primary participant - the main individual alleged to have been affected by ODHS action or inaction. GAO tracks all other relevant participants but will designate one as primary.

Program - the ODHS division most associated with the primary participant's concerns.

Recommendation - GAO shares case recommendations with the most appropriate level of management for resolution. Recommendations are often not formal.

Reporter - the individual who brought the concern to GAO's attention.

Resolution - overall outcome of GAO's involvement in assisting a reporter or primary participant.

GAO Findings Defined

Findings may fit in two categories, educating the public or resolutions that follow an investigation:

Educating the Public Findings

The outcome of case concerns that did not result in an investigation.

Inquiries- Not about an ODHS program, non-jurisdiction issues and child custody matters.

Consultation- Provide policy education, assist the individual in problem solving solutions to their concerns.

Case Resolution Findings

The outcome of case concerns that GAO performed further research and review.

Valid/Resolved—complaints are those that the Ombuds has determined have merit, and changes have been or are being made by ODHS.

Valid/Not Resolved—complaints that the Ombuds have determined have merit, but have not been resolved for the following reasons: 1. *Action cannot be undone*—the issue could not be resolved because it involved an event that had already occurred. 2. *Dept. disagrees with Ombuds*—the Department disagreed with the Ombuds' recommendation and would not make changes. 3. *Change not in the client's best interest*—making a change to correct a policy or practice violation is not in the client's best interest. 4. *Lack of Resources*—the Department agreed with the Ombuds' recommendation but could not make a change because no resource was available.

Not Valid—complaints are those that the Ombuds has reviewed and has determined that the Department was or is following policies and procedures.
