

After CMS has approved the K plan and waiver services changes AND a rate/tier needs to be established because the person is new to services or has had a change in support needs (ONA is used for everything except rates/service levels/tiers):

Service Setting	ONA	ANA/CNA	SNAP	SIS
In-home (49/149/151)	X	Significant change in need/new entry		
Foster-adult/child (158/258)	X		Significant change in need/new entry/ or according to schedule	
Adult 24 hour residential (50)	X			Significant change in need/new entry
Kid's 24 hour residential (50)	X			
Supported living (51)	X	X		

After CMS has approved the K plan and waiver services changes and the ONA is able to calculate service groups for people in-home:

Service Setting	ONA	ANA/CNA	SNAP	SIS
In-home (49/149/151)	X			
Foster-adult/child (158/258)	X		As scheduled	
Adult 24 hour residential (50)	X			Significant change in need/new entry
Kid's 24 hour residential (50)	X			
Supported living (51)	X	Significant change in need/new entry		

After CMS has approved the K plan and waiver services changes for all service elements as each becomes approved, and the ONA is able to calculate service groups and assign tiers using Burns & Assoc. rates:

Service Setting	ONA	ANA/CNA	SNAP	SIS
In-home (49/149/151)	X			
Foster-adult/child (158/258)	X			
Adult 24 hour residential (50)	X			
Kid's 24 hour residential (50)	X			
Supported living (51)	X
