Overview

Description: Core Competency Training Requirements and a List to the 12 Core Competency Courses

Purpose/Rationale:

Employment Professionals, as defined in [OAR 411-345](#), are required to complete the 12 online Core Competency modules that are available in Workday Learning and are listed below.. This requirement shall satisfy the OAR 411-345-030 requirement that all Employment Professionals demonstrate competency with 12 months of hire. This worker's guide is designed to outline the training requirements and to provide quick access to the Core Competency modules.

Please note: These modules are intended to provide records of Core Competency Demonstration, but do not replace further training, mentoring, and practical experience. Core Competencies and Training Standards of Supported Employment Professionals are the foundation of Employment Professional's knowledge and are intended to be a part of a larger organizational training and competency plan for individuals who deliver ODDS funded employment services. **Employment Professionals must complete 12 [Department-Approved](#) continuing education credits annually.**

Applicability: Any entity interested in becoming an Employment Professional and providing ODDS employment services.

Procedure(s) that apply:

Effective April 1st 2017, all Employment Professionals, as defined in [OAR 411-345](#), shall be required to complete the 12 online Core Competency modules for Employment Professionals. This requirement shall satisfy the OAR 411-345-030 requirement that all Employment Professionals demonstrate competency with 12 months of hire.

As of 1/1/2019, all Independent Providers, including Independent Contractors and PSW Job Coaches, must complete the 12 Core Competency trainings prior to provider enrollment.

Employment Professionals who are Vocational Rehabilitation (VR) Contractors are required to maintain an employee file that demonstrates all minimum qualifications have been met. This can be done by sending documentation or first year competency demonstration (successful completion of the listed modules) to

VR contract staff.

In order to access the online modules, Employment Professionals should have an active profile in Workday Learning. Please ensure your profile is updated and current. This is very important as we move forward with utilizing [Workday Learning](#) for training purposes and training records. DHS Training has developed an [Instruction Tool](#) to help partners log in and set up their Workday Learning Accounts. It is important to not skip any of the steps in this tool. **If you are not established in Workday Learning under the correct affiliation (Human Services, Oregon Department of) and with complete and accurate information, you may not be able to access these training modules.**

The links to these modules are listed below. Once logged in to Workday Learning these links will take you directly to the course to be completed.
