Inclusivity

We inclusively lead with race and intersectionality in order to address the roots of systemic oppression that impact all protected classes.

Well-Being

Staff and communities will know services and supports are working when all who live in Oregon, regardless of identity or place can achieve well-being.

Equity

We are dedicated to make services, supports and well-being accessible to all.

Service

We are committed to partnering with communities to develop and deliver policies and programs that are equitable and improve community conditions.
