- Transit Districts choose to participate in the local match program and ODDS direct contracts with them. CMEs may not have a transit district in the area at this time, but new transit districts may be added later.
- Local Match Transportation is only for individuals that have a need to get transportation from to/from work or DSA services AND need door-to-door services.
- CMEs should be choosing the most cost-effective transportation service that the individual is eligible for and local match transportation is the least cost effective; however, there are times when a client may not want to use local match transportation.
- Transit districts may assess the individuals to see if they are eligible for door-todoor services
- Local Match Transportation is not in eXPRS.

# **CME**

- CME must identify a single point person for communicating with Mass Transit Provider and ODDS Staff related to all Local Match Transportation needs
  - CME will also need to identify a backup person in case the primary is not available
- CME identifies an individual who is eligible for Local Match Transportation and interested in using this service
  - Confirm the individual is Medicaid eligible
  - Confirm the individual cannot navigate transportation without Door to Door Services
  - Confirm the individual will be using this service for To and From Work, Work Related Services, or DSA
    - Confirm the individual has one of the above listed services authorized in current Plan of Care OR
    - Confirm the individual has a current Career Development Plan uploaded into the Current POC that clearly states they are working independent of ODDS Services or actively receiving vocational services from another agency
  - Confirm the individual does not receive any other To and From Work related Transportation Services
    - Exceptions may be requested via the ODDS Exceptions Process
    - Approval must be uploaded into the current Plan of Care
  - Confirm that someone responsible for the individual at both ends of the route will be present and available, individuals cannot be left unattended
- CME contacts the Mass Transit Provider Contracted for services in their area to confirm if they have capacity to increase ridership
- If Mass Transit Provider has capacity to add the individual these steps are required prior to receiving any services
  - Add individual to the next month's Authorization and Invoice excel document completing all sections
  - Work with Mass Transit Provider to identify contacts at each end of route for scheduling
- If they do not have capacity request to add the individual to ongoing waitlist

# **MASS Transit Provider**

- Mass Transit Provider determines if they can increase capacity
  - Confirm the entire route falls within their Contracted Service Area
  - Confirm they have the resources to provide increased rides in a timely manner
  - Confirm they can cover the Local Portion of increased rides
  - Confirm the individual cannot navigate transportation without Door to Door Services
- If the Mass Transit Provider does not have capacity to grow the individual may be added to the current Waitlist
- If the Mass Transit Provider does have capacity to grow the individual
  - Work with CME to identify contacts at each end of route for scheduling
  - Work with Contacts at each location for contingency plans for drop off and pick up
  - Work with person identified for scheduling rides
- Mass Transit Provider will review Authorization and Invoice excel document Monthly to assure they have current
  authorization to provide services to an individual

# Career Development Plan (CDP)

Oregon is an "Employment First" state: Oregon believes with the right supports, everyone can work and there is a job for everyone. Everyone has the right to work in the community. See the "Employment Discussion Guide" for ideas about the employment conversation, which must occur at least annually.

Employment services are not tests people have to pass but resources people can choose. To receive an employment service, a person must have a goal of at least exploring competitive integrated employment, also known as individual, integrated employment.

This form has many locked fields and Validations if you tab through the excel document you can see which fields you must complete or update.

The Month and Year of Services needs to be updated each month you are Authorizing Services.

The Client Name must be exactly as it is displayed in eXPRS no other words, symbols, notes or adjusted name.

The Client Preferred Name can be whatever the individual prefers as their name.

The Notes/Special Directions is for the CME to use as needed to meet the internal needs of your program.

The Initial Authorization is the first time they participated in Local Match Project, if this is unknown due to being on the program prior to this version of form leave it blank. If the person is being added after this version of the form it must be completed.

The Final Authorization End Date is Vital for the Transit Providers to know the individual will not be authorized or eligible for the Local Match Project after a specific date. If known, please alert them prior to the month of service. If not, then alert ASAP.

The questions that follow must be answered, if they are left blank the individual is not considered as having a completed Authorization for service.

If the answer is No the Individual does not have Authorization in the current POC for Employment/DSA services in Accepted Status then the next field will require one of two options be selected. If the Individual does not have a Career Development uploaded into the POC one will be required to move forward with authorization.

Drop Down Options for this field-

Employed no Employment Services/DSA in POC

or

Receives Employment Services not funded by ODDS

The only exception is if an individual does not have a POC, but meets the prior requirements then a copy of the Career Development can be emailed to CAU Invoice at CAU.Invoice@dhsoha.state.or.us.

The Transportation Tab is where any Authorizations for Transportation are located.

This individual has an authorization for To/From Work Transportation they will require an Exception to participate in Local Match Project at the same time.

Medicaid does not allow a duplication of services, also if the person has a monthly, quarterly or annual bus lift pass for non work related services it is considered a duplication.

The Exception Approval Notice should be uploaded into the POC. It will be located on the Plan View Tab. If you click the Hyperlink it can be reviewed. It needs to clearly show who it is for, time frame of approval, that it authorizes the Individual to receive both Local Match and other To/From Work Transportation at the same time and include the reason it is necessary to do both.

Please refer to the Workguide or Transmittals for more information on requesting an Exception Approval.

## **Memorandum**

Name/Prime: Full Name/ XI09589B

To: Jane Doc/ Jackson CDDP

From: Office of Developmental Disabilities

**Date:** May 23, 2020

**Subject:** Funding request

The Funding Review Committee reviewed the documentation that was submitted with the request for permission to authorize Local Match as well as another transportation provider.

The request was approved by the Funding Review Committee from 6/1/2020—5/31/2021

<u>Reason for decision</u>: The local match provider is unable to meet all of their transportation needs.

Local match meets their employment transportation needs that occur on a set schedule.

Another transportation provider is needed to meet their needs for DSA transportation which happen on a flexible schedule.

<u>Conditions:</u> Community transportation costs must remain within the budget outlined in the Expenditure Guidelines. Should this need persist beyond the plan year, another request must be made.

<u>Description approved:</u> The Case Management Entity may authorize local match as well as another transportation provider.

The CME sends a Monthly Ridership Roster to the Mass Transit Provider of pre-approved ridership no later than the 15th of the month prior to the start of rides. For example, rides for October must be sent no later than September 15th.

CME must send final approval list to the Mass Transit Provider and ODDS CAU Invoice Box no later than the last day of the month prior. For example, the final pre-approval list for October must be sent no later than September 30th.

If there are updates throughout the month of service updated list must be sent to the Mass Transit Provider no later than the 15th of the month and a final list on the last day of the month. For example for rides in October an updated list must be sent to the Local Match Provider on October 15th and the final list on October 31st.

This ensures that the individual was Medicaid eligible for all rides provided during the month and payment can be made

When Emailing the Monthly Authorization Roster to the ODDS CAU Invoice Box please use the format above in the Subject line. Doing so will assure it gets routed to the correct person the email box is used for all of ODDS Invoices Statewide and several of us work in that email box.

These must be sent Securely you can request a secure email by emailing the CAU Invoice Box. Please do not use your own system often we cannot access it.

Prior to send your Monthly Authorization Roster to ODDS and Mass Transit Provider please rename it to clearly show CME, Transit (Name or Initials) and Month. The CME should keep copies of each month in case audited that acts as your proof of Prior Authorization of Services.

This is the Invoice Tab the Mass Transit Provider completes and submits this for payment to the CAU Invoice at CAU.Invoice@dhsoha.state.or.us.

The email subject line needs to show the Mass Transit Name, Month of Services and Local Match Transportation to assure it is routed to the correct Person.

The CME Authorization Tab will auto populate the top portion of form and the following columns -

**CME Name** CME Contract # **Client Name Client Preferred Name** Client Prime Number **Initial Authorization Start Date Final Authorization End Date** 

The Mass Transit Provider has a column for Notes that can be used to communicate with ODDS about particular person or for internal use.

The rides are invoiced by adding a 1 in each column that a ride was provided. The form will only allow 1 to be entered it will calculate the totals and is locked.

The PDF titled LM 53 Ineligible will identify which rides were denied and the reason, if the document contains no information then no claims were denied.

The PDF titled LM 53 Review, lists the Individuals with incorrect Name or Prime, please review and make corrections to your records ongoing.

As we move towards more automation it is vital that both the Roster and Invoices use the Name and Prime that is in eXPRS without any additional data or formatting, no abbreviations or nicknames.

March 2021 In Boundary \$24.23 - 79 rides were reported, and 79 are eligible.

The Total Amount allowable for March 2021 Match Project is \$1,914.17. The Local portion is \$516.06 and the Federal Match portion is \$1,398.11.

The Cover letter should contain the following, please use DD 53 Local Match instead of DD 53 Non-Medical Transportation Services to avoid funds being credited to other accounts in error.

The new version of the Roster Authorization and Invoice excel doc should reduce denied claims once implemented. If the Mass Transit Provider receives an incomplete Authorization Roster they should not provide services to any individual missing data on the Authorization Tab until the CME provides a completed version. They may provide services to all others who have complete data.
