June 26, 2023

To: Oregon Community Based Care Providers

From: Oregon Department of Human Services,

Re: Medicaid Reimbursement Rate Change Effective July 1, 2023

This is to inform you of a change to the Medicaid reimbursement rates for Community Based Care (CBC) providers effective July 1, 2023. Both the temporary COVID emergency increase and the temporary Wage Add-on (WAO) for Community Based Care programs are ending June 30, 2023. However, the Legislature passed a COLA that raises the rates to match the COVID 5% increase and the 10% WAO effective July 1, 2023, for all CBC providers.

For providers who are currently receiving the 10% WAO, there will neither be a decrease nor an increase, but the rates are now permanent. For providers who were not participating in WAO, they will receive a 10% increase effective July 1, 2023.

The APD rate schedule will be posted at:

Please contact Cindy Susee at cynthia.susee@odhs.oregon.gov if you have questions regarding these rates.

Sincerely,

Cindy Susee
