ODHS-23-063 - CBC-NF - Provider Alert

Date: August 28, 2023

To: All Nursing Facility Providers
All Assisted Living Providers
All Residential Care Providers

From: ODHS Office of Aging and People with Disabilities –
Population Health Quality Improvement

Subject: **Infection Prevention & Control Guidance for Long-Term Care Facilities**
-

The Aging and People with Disabilities Program, Population Health Quality Improvement section and Oregon Health Authority – Healthcare-Associated Infections team are sharing updated infection control guidance for long-term care facilities for use in respiratory season. This update includes the removal of Nurse Crisis Team (NCT) info (since it is no longer operational), updated info about the CMS staff vaccination guidance, and the links to the contact tracing and visitation template resources.
