

Number: ODHS-26-004

Date: Jan. 9, 2026

To: Assisted Living and Residential Care Facility Providers

From: Safety, Oversight and Quality Unit

Subject: Required 2025 quality metric reporting and webinar update

All assisted living and residential care facilities, including those with memory care endorsements, are required by law to report quality metrics under ORS 443.446(2).

The reporting window for **calendar year 2025** data opened January 1 and **closes Jan. 31, 2026**. Facilities that do not submit by the deadline will be recorded as non-reporting and may be subject to department follow-up.

Reporting details

- **Reporting window:** Jan. 1 through Jan. 31, 2026
- **Reporting method:** [Online reporting tool](#)

Request to providers

Although the reporting window runs through January 31, facilities are asked to submit data as early in January as possible. Submitting data by January 16 allows the Quality Measurement Program to review entries, identify issues and provide support before the reporting period closes.

After submitting data, facilities should email qualitymetrics.acuity@odhs.oregon.gov to confirm that the data submission was received.

Reporting resources

Reporting instructions and optional tools are available on the [Quality Measurement Program \(QMP\) web page](#) under Quick Links.

- 2025 QMP Provider Instruction Guide
- 2025 QMP Data Worksheet
- 2025 Provider Webinar recording
- 2025 QMP Data Collection Tool screenshots

Recommended reporting steps

1. Complete and save the 2025 QMP Data Worksheet
2. Enter data using your facility records
3. Submit data through the online reporting tool between January 1 and January 31
4. Email qualitymetrics.acuity@odhs.oregon.gov to confirm receipt

Support

Live webinars are optional. A [recorded webinar](#) and written instructions are available on the program web page. Direct support is available by phone or email if you encounter technical issues or have reporting questions.
