

AFH basic training course and test

Adult foster homes

What's Changing?

ODDS is offering the Adult Foster Care Basic Training Test online, through Workday

Why the Change?

This centralized approach aims to improve consistency and efficiency across the system.

Important!

You must keep copies of the training certificates in your records.

Requirements

This course is required for all new:

- Providers and Co-Providers
- Resident managers
- Substitute Caregivers

How to Access the Test:

- Available on Workday
- You must pass the test before providing care and services.
