\$4.6 million in funding available for community-based organizations to support immigrants and refugees from Ukraine

(Salem) – The Oregon Department of Human Services (ODHS) Refugee Program is inviting community partners to apply for a portion of \$4.6 million in funding that is available to provide services and support to certain individuals from Ukraine or those who entered through the Uniting for Ukraine program.

The deadline to apply is March 27, 2023, and the application can be found [online](#).

The U.S. Resettlement Program is operated by the U.S. Department of State through contracts with national non-profit organizations called resettlement agencies. These organizations have local affiliate offices throughout the nation.

The ODHS Refugee Program is responsible for some of the services that are outside of the initial resettlement provided by the resettlement agencies. The Refugee Program provides cash, medical, employment and acculturation services to refugees (and those eligible for refugee services) who are within 60 months of gaining their eligible immigration status.

Since February 2022, over 3,100 individuals from Ukraine have resettled in Oregon.

The purpose of this request is to ask for applications from culturally and/or linguistically responsive organizations who provide services to immigrants or refugees (and those eligible for refugee services) to increase services and supports.

Funding is available to support:

- Housing and food assistance services: \$2 million
- Statewide outreach, sponsor coordination and connection to existing case management services: \$200,000
- Employment services assistance: \$221,800
- Health and mental health services: \$675,000
- Child care: \$100,000
- Legal services: \$800,000
- Youth mentoring: \$100,000
- School assistance: \$515,000
- Senior services: \$50,000

Organizations may express interest in supporting more than one service area. Community organizations are eligible to submit proposals for the funding.
