Dana Hittle, Medicaid Director  
Oregon Health Authority  
500 Summer Street, NE E35  
Salem, OR 97301

Dear Director Hittle:

This letter and accompanying attachment represent the Centers for Medicare & Medicaid Services (CMS) approved corrective action plan (CAP) for the State of Oregon to bring settings into compliance with the federal home and community-based services (HCBS) regulations found at 42 CFR §§441.301(c)(4)-(5), 441.530(a), and 441.710(a)(1). The CAP is effective March 17, 2023.

The CAP provides the state with additional time to bring settings into compliance with the regulatory criteria directly impacted by the COVID-19 public health emergency. For remaining HCBS settings regulations not subject to the CAP, the state and all settings are expected to be fully compliant by the end of the transition period on March 17, 2023.

The state will report to CMS on progress with activities, milestones, and timeframes outlined in the attachment. Full compliance is achieved when all Medicaid-funded HCBS is rendered in a compliant setting. Closure of the CAP will be granted after the state completes the activities described in the attachment, at which point the state will be in full compliance with all HCBS settings provisions of the regulation.

It is important to note that CMS approval of a CAP solely addresses the state's compliance with the applicable Medicaid authorities. CMS approval does not address the state's independent and separate obligations under the Americans with Disabilities Act, Section 504 of the Rehabilitation Act or the Supreme Court's *Olmstead v. LC* decision. Guidance from the Department of Justice concerning compliance with the Americans with Disabilities Act and the *Olmstead* decision is available at: [http://www.ada.gov/olmstead/q&a\\_olmstead.htm](http://www.ada.gov/olmstead/q&a_olmstead.htm).

Thank you for your efforts in establishing a CAP and completing this work to ensure all settings are in compliance with the federal HCBS regulations. If you have questions or need further assistance, please contact Amanda Hill at [Amanda.Hill@cms.hhs.gov](mailto:Amanda.Hill@cms.hhs.gov) or 410-786-2457.

Sincerely,

Ryan Shannahan, Deputy Director  
Division of Long-Term Services and Supports

**Regulatory criteria subject to the CAP**

*All settings:*

- The setting is integrated in and supports full access of individuals receiving Medicaid HCBS to the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, and receive services in the community, to the same degree of access as individuals not receiving Medicaid HCBS at 42 CFR §441.301(c)(4)(i) (entire criterion except for “control personal resources”),
- The setting is selected by the individual from among setting options including non-disability specific settings and an option for a private unit in a residential setting. The setting options are identified and documented in the person-centered service plan and are based on the individual’s needs, preferences, and for residential settings, resources available for room and board at 42 CFR §441.301(c)(4)(ii),
- Optimizes, but does not regiment, individual initiative, autonomy, and independence in making life choices, including but not limited to, daily activities, physical environment, and with whom to interact at 42 CFR §441.301(c)(4)(iv), and
- Facilitates individual choice regarding services and supports, and who provides them at 42 CFR §441.301(c)(4)(v).

*Provider-owned or controlled residential settings:*

- Individuals sharing units have a choice of roommate in that setting at 42 CFR §441.301(c)(4)(vi)(B)(2), and
- Individuals have the freedom and support to control their own schedules and activities at 42 CFR §441.301(c)(4)(vi)(C) (entire criterion except for “have access to food at any time”).

The applicable regulatory criteria at 42 CFR §441.530(a) and §441.710(a)(1) are also subject to the CAP.
