OREGON DEPARTMENT OF
Human Services

Emergency Preparedness

ARE
YOU PREPARED?

Be Prepared

- Know your zone
- Know your route and know your alternate route
- Do not count on GPS
- Have “Go-Bag” for everyone
- Plan for pets

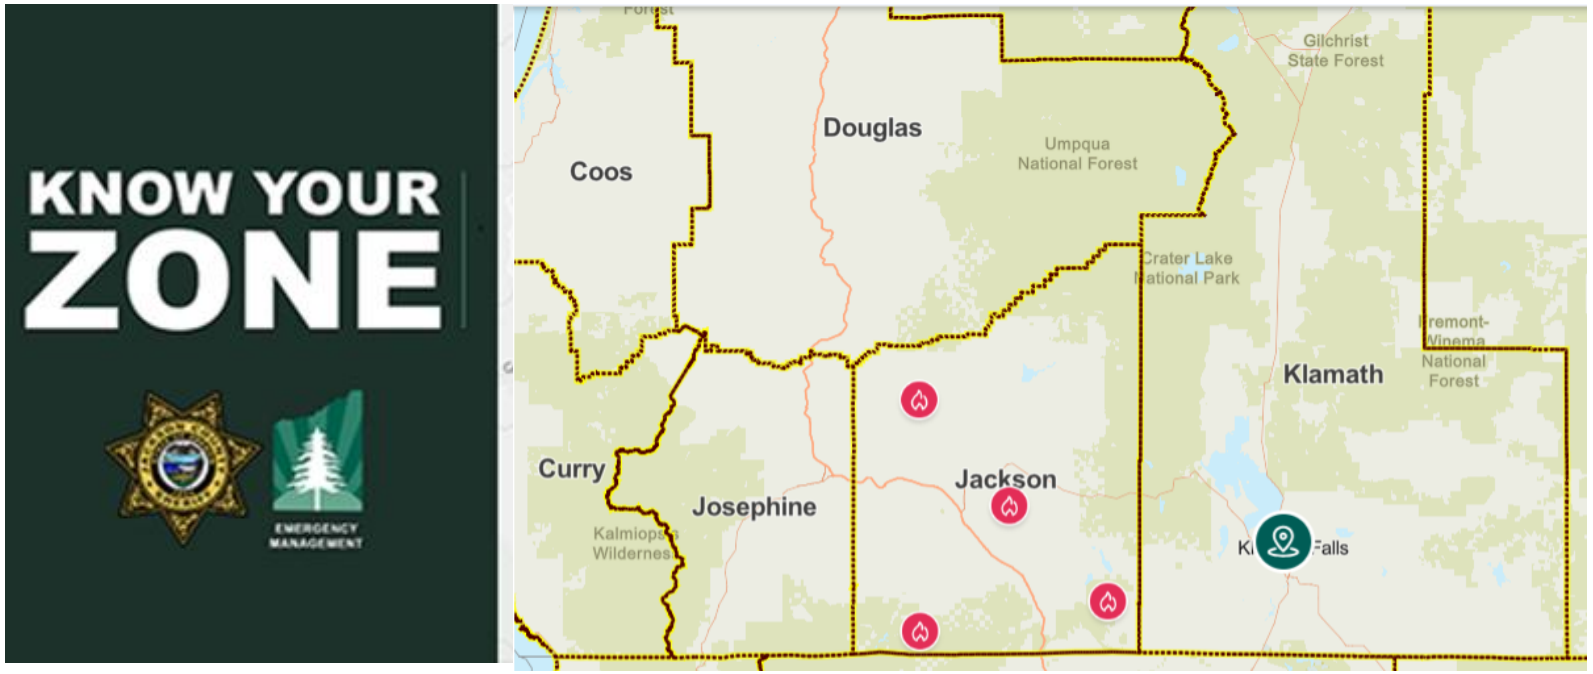

Evacuation is not always the best option

Trusted Information

- Emergency Management, city, county
- Fire departments/Fire districts
- County Sheriff's Office
- City Police
- State Agencies (ODF, ODHS, OHA, OSP, OEM)
- Trusted sources might be slower than perhaps social media because the information is as accurate as possible

Know Your ZONE

- Protect.Genasys.com
- Know your zone and ones around you

Emergency Preparation

- **OR-Alert.gov**
  - Enter zip code and sign up
- **Oregon.gov/oem Oregon Emergency Management for up-to-date resources, news, and all things preparedness**

Be 2 Weeks Ready

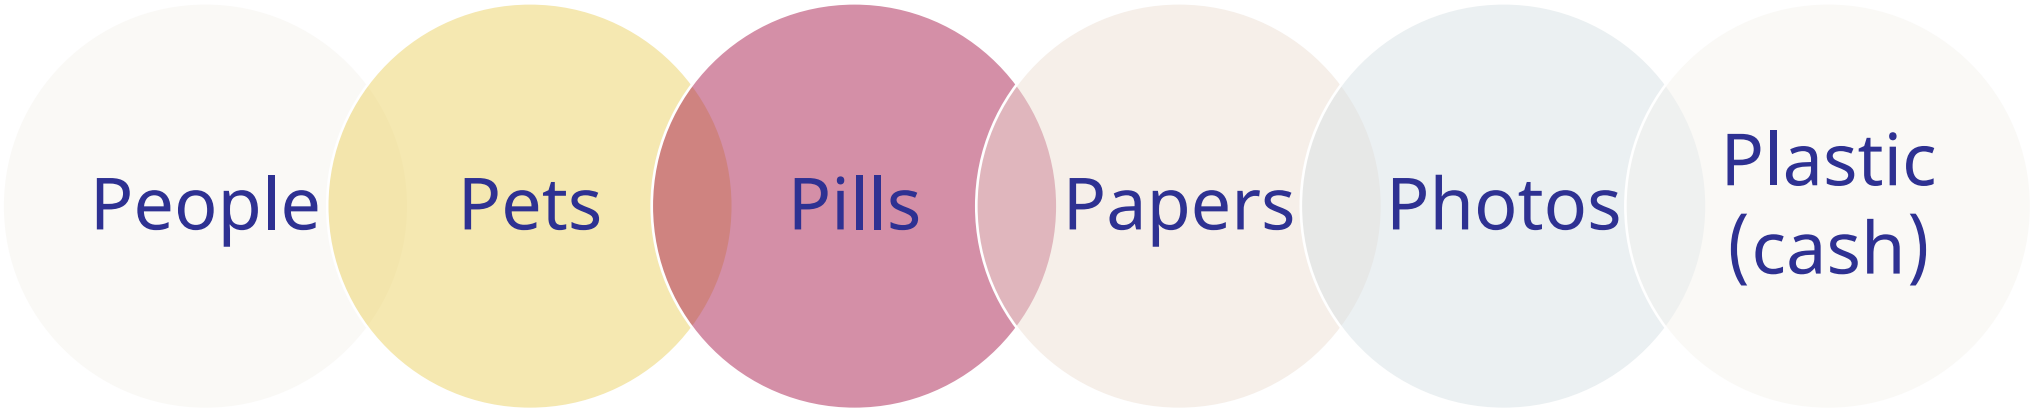

https://www.oregon.gov/oem/Documents/B2WR-Complete-Tool-Kit-EN.pdf

Go Bag

- Keep a 72-hour ready-to-go bag for each person in the household
- Include written contact information in case you cannot access your cell phone
- All important papers!

Evacuation Levels

Level 1 BE READY

- Consider evacuating
- Check in with neighbors, family, and friends
- Support network needed?
- Begin your evacuation plan, park vehicles ready to go
- Check OFFICIAL news sources
- Reach out for assistance if needed

Level 2 BE SET

- Consider leaving
- Be set with “Go Bags” everything should be ready to leave a moments notice
- This is time to act and know where you are going
- Might be your only notice to evacuate

Level 3 GO NOW!

- MUST Leave Immediately!
- Do not wait, do not grab items or pack belongings
- There is imminent danger
- Emergency responders may not be able to provide help to your location if you choose to stay

Providing Support

- Sign up for emergency alerts
- Go bags
- Transport to alternate location
- Assist in that alternate location
  - Provide advocacy
- Assist in case manager and consumer coordination

Resources

- Wildfire.Oregon.gov for wildfire news and information.
- App.watchduty.org/ for wildfire, shelter information
- Aqi.Oregon.gov for air quality news and information.
- Tripcheck.com for road closures.
- Weather.gov for accurate weather information.
- Keeporegongreen.org for wildfire prevention and current conditions.

OREGON DEPARTMENT OF
Human Services

RISE Partnership

Advanced Emergency Preparedness Training (AEPT)

Background

- Contracted with CCA in 2025 for a two-year partnership

- Collaborated with subject matter experts

  Office of Resilience and Emergency Management at Oregon Department of Human Services

- Adapted curriculum to be Oregon-specific and relevant to local needs

Program Structure

- Cohort-based training model
- 6-week program
- Stipend upon completion (must complete all 6)
- 2.5-hour sessions each week
- Each week focuses on a different topic
- Weekly assessments to reinforce learning

Eligibility and Outreach

Eligibility Requirements:

- Participants must have completed Continuing Education training to take AEPT training

Outreach Process:

- Carewell contacts providers

Expanding language access:

- Cohorts in Spanish & Russian begin July/August 2026)

Weekly Topics

Week 1:
Climate Change and Its Connection to Consumer Care

Week 2:
Climate Change and Community Vulnerability

Week 3:
Planning for Climate-Related and Other Emergencies

Week 4:
Protective Actions for Emergencies

Week 5:
Communication Plans for Emergencies

Week 6:
Emotional Trauma After Emergencies

Participant Feedback

“I’m glad to know I’m not the only one who feels overwhelmed… I learned so much from everyone.”

“This helped me prioritize updating and practicing emergency plans with my consumer.”

“You made difficult topics feel calm and manageable—thank you.”

“I learned a ton… and even bought fire blankets with my family!”

“I’ve already shared what I learned with others.”

Thank you!
