

Help Your Community. Get Extra Help for Your Organization.

Become a SNAP Workfare Site

Low cost. High return. Real impact.

What is SNAP Workfare?

SNAP Workfare is part of the SNAP Employment and Training program. It helps adults who receive SNAP meet federal work rules so they can keep their food benefits. It also gives them a chance to build work experience. SNAP Workfare is for people with Able-bodied Adults without Dependents (ABAWD) status. Community groups can join by hosting participants who volunteer and help with important work that supports your mission.

Quick Fact

Participants work at your organization. They gain skills, build work history and connect with community services.
