Partner with Vocational Rehabilitation through Ticket to Work

Turn employment milestones into shared funding

If your organization supports VR participants at the start of their services, you have an exciting opportunity to partner with VR to share Social Security funds through the Ticket to Work program.

Your role:

- ✓ Provide ongoing job support to VR participants
- ✓ Send VR a monthly list of people you're supporting
- ✓ Provide documentation to verify ongoing employment supports

VR's role:

- ✓ Handles Ticket assignments
- ✓ Manages payments
- ✓ Ensures reporting meets SSA requirements

When the people you support reach employment milestones, Social Security sends funds. VR and your organization share these funds.
