**Action Required for the Above Changes in Ownership:**

Staff must close the Service Plan/POC with the previous provider and open a new service plan/POC for all consumers served by the new owner. To update the consumer records staff will need the provider name and provider number and the effective date. All the information is above in the New Owners Information table.

Consumers previously assigned to The Dalles provider number 525685 who live in the Hood River service area should be assigned to the new Hood River provider number listed below.

Consumers previously assigned to the Milwaukie provider number 524718 who live in the Hillsboro or Tigard service areas should now be assigned to the new Hillsboro or Tigard provider numbers below.

**\* The previous owner of these in-home care agencies stopped billing 6/12/2021 so there are no over-payment adjustments required.**
