**Action required:** By July 5, 2022, please indicate sprinkler status in the Automated Survey Processing Environment (ASPEN) for any Adult Foster Home (AFH) licensed with Aging and People with Disabilities (APD). There only needs to be data input for those that are fully sprinkled and operational (option 01) or those that have sprinklers, but they are not operational (option 02). It is assumed that most AFH do not currently have sprinklers so data for those that are without a system (option 03) is not necessary.

Data is to be input as follows:

- Locate the APD AFH provider you wish to update information on
- Right click the provider's name to open the "facility properties"
- Click the third tab across the top which indicates "buildings/ wings"
- Highlight the provider's information and click "modify" which is towards the center of the visible screen

Facility Definition | Addresses | Buildings/Wings | Associations | Administration | Ownership | Licensing | Other

	Building ID	Effective Date	Building Name	CMS Type (K3)	Closed On	Stories	Constructor Type
1	01			House			R-3

**Reason for action:** Oregon Senate Bill 1548 requires the Department report to the Oregon Legislature on various topics specific to sprinkler requirements in APD AFH. This data will help in compiling relevant numbers as the report is drafted.
