## Message:

The SDS 0514 form used to request In-Home Exceptions, Shift Services and HCW CAP exceptions, has been updated and translated. Please note the form number is now APD 0514i. The previous SDS 514 should no longer be used.

The form was updated to include a column on page two to allow for the capture of tasks on a weekly basis. This was done to allow the information entered to better align with the information needed for the exception's calculator which helps to accurately compute the hours being requested by the consumer.

The SDS 0514i can be found on the form server in the following languages:

- Chinese (Simplified)
- Chinese (Traditional)
- English
- Korean
- Romanian
- Russian
- Somali

- Spanish
- Vietnamese

The English version is also available in CM Tools under <a href="Other Links & Tools: Exceptions">Other Links & Tools: Exceptions</a>.
