Issuing "vouchers"

There is no change required in your process for issuing and paying the SDS 0595N.

Pay-in liability (notice of Eligibility and Responsibility)

With this increase to the consumers cost of service, Medicaid Case Managers are asked to please review the pay-in liability with the new pay-in amount, and issue notices (SDS 0541) 05/01/2020 indicating pay-in changes for meals received in April.

Person-Centered service option

Medicaid HDM is a service option to be considered for all eligible consumers. Besides receiving an in-person delivery of a nutritional meal, a HDM can be critical to enable a consumer to maintain independence and to remain in their own home.
