| Language was developed to properly address notice verbiage when a Program of All-inclusive Care for the Elderly (PACE) case is closed for non-payment of a monthly pay-in/liability. The new notice language can be found on the <a href="Decision Notice">Decision Notice</a> <a href="Preparation Tips">Preparation Tips</a> page under Service: Closure. |  |
| Current language in the 'Decision Notice Preparation Tips' section of the APD worker guide for non-payment of a monthly pay-in/liability refers to system auto-generated notices, which does not apply to PACE cases.   |  |
| Please note: This is considered an adverse action. It should not be taken while <u>APD-PT-02-034</u> is in effect.  |  |
