Message:

Oregon Provider Time Capture Direct Care Innovations (OR PTC DCI) has a feature that allows staff to put a note on the provider's profile. To learn how to use this feature, review the document "[How to Add a Note to a Provider's Profile](#)", which is part of the [OR PTC DCI Staff Catalog](#). Using this feature will allow local offices to track relevant information regarding HCW activities.

A guide has been developed to provide staff with information that can be documented in the OR PTC DCI notes section. The guide, titled "Documentation and Narration in OR PTC DCI", is found on the [Provider Time Capture \(PTC\)](#) page on CM Tools.
