## Message:

The payments for August services in the Community Based Care payment system (512) were scheduled to be mailed/direct deposited on September 2, 2022. However, most of the payments were not released due to a systems issue.

The 512 suspend screen (SCFP) displays the following error message for each payment that is impacted:

## ER278 TOA Code on 512 must match TOA Code in IE Elig

This error message can't be resolved by local offices. The OIS team is working on a solution for this issue. The error message will be cleared by OIS once a resolution is in place.

Currently, OIS estimates payments will be mailed/direct deposited on September 6, 2022. Payments should be received within 5 business days after this date.
