Message: The PTC Team has created a new Quick Reference Guide (QRG) for local offices on how to add, modify, deactivate, and reactivate staff profiles. The QRG also provides information on the Change Email/Phone Report and the roles and permissions available in OR PTC DCI.	
Please ensure your office is following this process. It is important not only for new staff or changes, but for removing staff access when a staff member leaves their current role and no longer needs PTC access. This helps ensure system security and accuracy.
