Message:

Carewell SEIU 503 Training is launching statewide in-person orientation in English on Feb. 1, 2023, for homecare workers, personal support workers, and personal care attendants. Applicants who are unable to attend in-person orientation can contact Carewell to discuss options. Please begin sharing the newly created [New Worker Training flyer](#) with applicants on Feb.1.

The new version of orientation will be available in other languages as a webinar beginning in April of 2023. In the meantime, online self-paced orientation is available in the following languages: Spanish, Russian, Vietnamese, Simplified Chinese, Arabic, and Somali. Please continue to provide the existing translated new worker training flyers to those interested in completing online orientation in their preferred language:
