Message:

The Oregon Home Care Commission is sending out a survey to those providers who did not complete refresher training to determine reasons and possible barriers that may have prevented them from meeting the June 30, 2022, deadline.

The survey will be sent out on Wednesday (5.10.23) by email and text message. OHCC will call providers who do not have an email or text messaging capabilities, as well as those who have a preferred language other than English, if known. **The survey will be open until the end of May 31, 2023.**

If a provider asks about the survey, please direct them to click on the survey link they received and follow the instructions to complete the survey.
