Action Required:

For changes in ownership listed above, staff must close the 512 for the previous provider numbers, must update the service plan and open a new 512 for all consumers under the new provider numbers above.

To update the consumer records, staff will need the provider's name, provider number and the effective date. All needed information is in the new owner's information table above.

Steps to update each consumer's record:

- Update the service plan in Oregon ACCESS.
- Open a new 512 with the new provider number

To access a list of all consumers served by the previous owner, complete the following steps:

- Go to the Mainframe System
- Enter PESM, P, (provider #)

A list of recent payment authorizations and consumers served by the previous owner will be displayed.
