Action required:

Beginning September 1, 2021, all Children's 24-Hour Residential and Host Home agencies must collect the data identified in this transmittal. The data must be submitted to ODDS.ChildrensResidentialReferrals@dhsoha.state.or.us in a quarterly report via secure email using this link:

https://secureemail.dhsoha.state.or.us/securereader/init.jsf?brand=d0c67197. The first quarterly report (https://www.oregon.gov/dhs/SENIORS-

DISABILITIES/DD/Transmittals/21072-SB710-Quarterly-Report.xlsm) for data

collected during the period beginning 09/01/21 and ending 12/31/21 is due on February 1, 2022. This report must be made available to the public upon request and posted on the agency's website, if the agency has a website. Additionally, if the agency has any sites that serve five or more children, site-specific data must be made available to the public and posted on the agency's website if the agency has a website. All publicly posted data must ensure that any personally identifiable information is redacted. Personally identifiable information includes the child's race, ethnicity, age, biological gender, gender identified, migrant status, primary language, and whether they use augmentative communication.

Data Required for Quarterly Reports submitted to ODDS:

- (a) The total number of incidents involving restraint.
- (b) The total number of incidents involving involuntary seclusion.
- (c) The total number of involuntary seclusions in a locked room.
- (d) The total number of rooms available for use by the program for involuntary seclusion and a description of the dimensions and design of the rooms, if applicable.
- (e) The total number of children in care placed in restraint.
- (f) The total number of children in care placed in involuntary seclusion.
- (g) The total number of incidents that resulted in reportable injuries to children in care.
- (h) The number of children in care who were placed in restraint or involuntary seclusion more than three times during the preceding three-month period and a description of the steps the program has taken to decrease the use of restraint and involuntary seclusion. Note: If 3 or less restraints, only mark 3 or less restraints.
- (i) The number of incidents in which an individual who placed a child in care in a restraint or involuntary seclusion was not trained, as required by the department by rule, in the use of the type of restraint or involuntary seclusion used.
- (j) The demographic characteristics of the children in care who the program placed in a restraint or involuntary seclusion, including race, ethnicity, gender, migrant status, English proficiency, and use of augmentative communication device. and status as economically disadvantaged. unless the demographic information would reveal personally identifiable information about an individual child in care.
