Message

The Office of Developmental Disabilities Services (ODDS) Foster Licensing Unit is conducting provider meetings in 2026 for adult and child foster providers. Foster providers, community developmental disabilities programs (CDDPs), and others are invited to the meetings. These meetings are not required. These meetings are to increase communication, support, and information from the Foster Licensing Unit to foster providers and others.

Provider Meetings information:

The meetings will be held on Zoom. The agenda items will vary, including topics such as licensing updates, process updates, rule and policy interpretations, questions and answers with providers, and learning opportunities. These meetings do not count towards annual training requirements. If licensing is unable to answer a question, we will take your information to follow-up with you after.

If you have topics or questions you would like to discuss at the foster provider meetings, email dd.licensingfoster@odhs.oregon.gov. Use "provider meeting topic" in the subject line. A survey link is given out at the end of every meeting where additional questions and feedback may be given for future meetings.
