

Lunch and Learn for Business

Celebrating Talent and Transforming Workplaces

October is NDEAM, National Disability Employment Awareness Month!

This special event cuts through myths and misconceptions to reveal what disability in the workplace *actually* looks like.

Designed as a live, podcast-style conversation, join us as our special guests share personal stories that challenge assumptions and highlight what's possible when we reimagine the disability narrative.

Come curious, and leave knowing disability at work isn't complicated — it's human!

Who:

Business owners, executives, HR teams, hiring and department managers, and all employees are welcome. Invite your colleagues!

When:

Tuesday, Oct. 6, noon to 1 p.m. Pacific
