RE: 2018 Annual Report Supplement; Revised 2019 Annual Report  
DOJ File No.: 734170-GG0140-20

Dear Mr. Stenson:

ODOT provides herein two documents relevant to its obligations under the Settlement Agreement:

- 2018 Annual Report Supplement
- Revised 2019 Annual Report

**2018 Annual Report Supplement**

This Supplement provides location information for curb ramps remediated in 2017, which may not have been clear in previous Annual Reports. It also clarifies that curb ramp remediations reported in the 2018 Annual Report occurred in both 2017 and 2018. Though this clarification **does not change** ODOT's progress to date, ODOT provides this Supplement in furtherance of its commitment to transparency and open communication.

**Revised 2019 Annual Report**

ODOT has revised the 2019 Annual Report to incorporate the clarification made in the 2018 Annual Report Supplement. As noted in the original 2019 Annual Report, ODOT remediated a total of 1,003 curb ramps in 2019, and this number **has not changed**. The following table provides a snapshot of ODOT's curb ramp remediation progress:<sup>1</sup>

---

<sup>1</sup> Appendices 1, 2, and 3 of the original 2019 Annual Report remain the same and are not included with this revised report. ODOT has made other small, stylistic changes in the revised report as well.
