

ODOT Library

- The ODOT Library provides library services to ODOT employees, as well as working with other agencies and the public. Services include:

- Reference assistance
- AASHTO, TRB, ODOT, FHWA, and other transportation-related publications in collection
- Literature searches/reviews
- Topical searches
- Interlibrary loans
- PE/FE/Survey exam resources and study materials
- Historical research: agency documentation and photos
- Subscriptions including ASCE journals and conference proceedings , and the Engineering Workbench from Accuris, which gives access to ASTM Standards and AASHTO titles.
