

## SECTION 02035 – CONCRETE MODIFIERS

*(Follow all instructions and make all edits with “Track Changes” turned on. If there are no instructions [purple text] above a subsection, paragraph, sentence, or bullet, then include it in the Project. Delete all purple text before preparing the final document. All other modifications to this Section will require ODOT Technical Resource and State Specifications Engineer approval.)*

Comply with Section 02035 of the Standard Specifications modified as follows:

**02035.10 Styrene-Butadiene Latex** - Replace the paragraph that begins "Furnish latex concrete ..." with the following paragraph:

Furnish latex concrete modifiers from the QPL that are a nontoxic, film-forming, polymeric emulsion in water where all stabilizers have been added at the point of manufacture. Furnish latex modifiers that are homogeneous and uniform in composition, and meet the following requirements:
