

SECTION 00340 - WATERING

(Follow all instructions and make all edits with "Track Changes" turned on. If there are no instructions [purple text] above a subsection, paragraph, sentence, or bullet, then include it in the project. Delete all purple text before preparing the final document. All other modifications to this Section will require ODOT Technical Resource and State Specifications Engineer approval.)

Comply with Section 00340 of the Standard Specifications modified as follows:-

00340.00 Scope - Replace the bullet that begins "Preventing or alleviating dust ..." with the following bullet:

- Preventing or alleviating dust nuisance originating within the Highway Right-of-Way and the Project limits that are not caused by the Contractor's operations at the Contractor's plants or plant setups.

00340.10 Water - Replace this subsection, except for the subsection number and title, with the following:

Furnish water free of silts and other matter harmful to the quality of the Material that it is applied to or that it is mixed with.

Comply with Chapter 537 of the Oregon Water Laws, administered by the Water Resources Department, covering the appropriation of water.

Most adjudicated water may be limited to agricultural uses, so it should not be assumed that there are any water sources in the immediate area of the Project available for the Contractor's use.

00340.90 Payment - Replace the paragraph that begins "In item (b), the ..." with the following paragraph:

In item (b), the name of the additive is inserted in the blank.

Replace the paragraph that begins "Payment will be payment ..." with the following paragraph:

Payment will be payment in full for furnishing and placing all Materials, and for providing all Equipment, labor, and Incidentals necessary to complete the Work as specified.
