October is Careers in Construction Month

Learn about opportunities in the construction industry.
Hear from registered apprenticeship programs.

October 21st—Construction Apprenticeship Program Day

9:00 am—10:30 am

The session will focus on registered apprenticeships. We will start with an group meeting to introduce the participating Trades Apprenticeship programs. They will provide an overview of their programs. Afterwards we will split into breakout rooms where you can learn more about each individual apprenticeship program.

When the breakout rooms are complete, we will rejoin and learn about the Rogue Valley Trades Training Center program, a pre-apprenticeship program designed to give you the initial training and tools to pursue a career in the trades and entry into a registered apprenticeship program.
