

**STATE OF OREGON**  
**DEPARTMENT OF TRANSPORTATION**  
**NOTICE TO CONTRACTORS**  
**CONTRACTOR SPECIAL PREQUALIFICATION SUBMITTALS DUE – AUGUST 27, 2019**

**REQUEST FOR CONTRACTOR SPECIAL PREQUALIFICATION FOR  
CATHODIC PROTECTION PROJECTS**

The Oregon Department of Transportation is seeking Contractor Special Prequalification submittals from Contractors desiring to bid on the following Cathodic Protection project(s):

<b>Project Name</b>	<b>Bid Opening Date</b>
US101: Yaquina Bay Bridge	November 14, 2019

The primary purpose of a Cathodic Protection Project is to rehabilitate and preserve the structures by repairing reinforced concrete components damaged by corrosion and installing an impressed current cathodic protection system or replacing an aged cathodic protection system for reinforced concrete components above the ordinary high water line. Additional work on the structures may be included in the Project(s). To obtain a Contractor Special Prequalification package, email your request to Sharmon Leedham at [ODOTProcurementOfficeConstruction@ODOT.state.or.us](mailto:ODOTProcurementOfficeConstruction@ODOT.state.or.us) or the Oregon Department of Transportation; Procurement Office, Construction Contracts Unit; 3930 Fairview Industrial Drive SE, MS#2-2; Salem OR 97302-1166.

If you have questions contact Sharmon Leedham, ODOT Construction Contracts Unit [ODOTProcurementOfficeConstruction@ODOT.state.or.us](mailto:ODOTProcurementOfficeConstruction@ODOT.state.or.us), (503) 986-2710, or at the above address.

**Bids will only be accepted from Contractors who have received written notification from ODOT that they have passed the Contractor Special Prequalification evaluation. Contractors passing the Contractor Special Prequalification will also be required to prequalify under the ODOT Prime Contractor Prequalification process, if they have not already done so, at least ten (10) days prior to bid opening. (See Contractor Special Prequalification Package for information regarding the ODOT Prime Contractor Prequalification process.)**

Contractors that pass the Contractor Special Prequalification may also be required to become TERO certified to successfully bid on identified projects. Check the actual project Special Provisions for TERO requirements. For more information about becoming TERO certified or updating TERO certification please see the ODOT Procurement Office website:

- [http://www.oregon.gov/ODOT/Business/Procurement/Pages/Forms\\_Tips\\_and\\_Resources.aspx](http://www.oregon.gov/ODOT/Business/Procurement/Pages/Forms_Tips_and_Resources.aspx)
  - Expand the accordion box by clicking on the row titled “Tribal Employment Right Ordinance”.

The Contractor Special Prequalification submittal must be received at the address below on or before **10:00 am, Pacific Time, Tuesday, August 27, 2019.**

Submittals must be addressed to:

**Oregon Department of Transportation  
Attn: Sharmon Leedham, ODOT Construction Contracts Unit Special Prequalification  
3930 Fairview Industrial Drive SE, MS#2-2  
Salem, OR 97302-1166**
