To be eligible for award of Oregon Department of Transportation construction contracts, bidders (prime contractors) must submit a prequalification application according to ODOT's Oregon Administrative Rules and prequalification procedures at least ten calendar days before the Bid Closing date. Prequalification must be in the class(es) of work indicated in the project's special provisions, and the bid booklet.

The Prequalification Application form, requirements and instructions are on the Agency's website http://www.oregon.gov/ODOT/Business/Procurement/Pages/Bid_Award.aspx

The Agency's Electronic Bidding Information System (eBIDS) allows free access to plans, specifications, bid booklets, project addenda, and clarification letters at <https://ecmnet.odot.state.or.us/ebidse>

Preliminary bid results are published on the following websites by close of business on Bid Closing day <http://www.oregon.gov/ODOT/Business/Procurement/Pages/PBR.aspx>, <http://www.bidx.com>

Award of contracts will not be final until: 1) Three working days after Notice of Intent to Award is posted on the Agency's website or 2) The Agency provides a written response to each timely protest, denying the protest and affirming the award; whichever is later.

All projects include a steel escalation clause.

All projects have minimum wage rate requirements. Wage publications are published on the Agency's website at <http://www.oregon.gov/ODOT/Business/Pages/Project-Wages.aspx>

All projects require work to be performed by the Contractor's own organization of at least 30 percent of the awarded contract amount.

All federally funded projects have "BUY AMERICA" requirements.

Email the Project Manager listed at the end of each announcement for PROJECT SPECIFIC TECHNICAL QUESTIONS.

The project cost range value is preliminary, may not reflect the current scope of the project, and is not a reflection of the Engineer's Estimate.
