COMPANY NAME: Blue Line Transportation Co Inc

**Distribution prices:**

Distributor with operator, performance grade asphalt                      Price per hour: \$250.00  
 Distributor with operator, all other products                                      Price per hour: \$250.00

**Freight/transportation prices:**

Freight pricing sheet attached. There is a 30 ton minimum charge for all freight. There will be a half rate charge for all product returned. There is no additional fuel table.

**Miscellaneous prices:**

Demurrage is \$90 per hour. We allow 2 hours unload time from due time. Anything after that can be charged at \$90 per hour. We usually only charge demurrage if we have on-going problems or if it is a significant problem costing us significant labor for the load.
