

**STATE OF OREGON**  
**DEPARTMENT OF TRANSPORTATION**  
**NOTICE TO CONTRACTORS**  
**CONTRACTOR SPECIAL PREQUALIFICATION SUBMITTALS DUE – June 11, 2026**

**REQUEST FOR CONTRACTOR SPECIAL PREQUALIFICATION FOR  
CATHODIC PROTECTION PROJECTS**

The Oregon Department of Transportation is seeking Contractor Special Prequalification submittals from Contractors desiring to bid on the following Cathodic Protection projects:

<b>Project Name</b>	<b>Bid Opening Date</b>
US101: Gold Beach (Rogue River) Bridge	September 17, 2026
US101: Cummins Creek Bridge	October 29, 2026

Those Contractors currently on the Cathodic Protection Special Prequalification list need not reapply unless changes have been made affecting their qualifications.

The primary purpose of a Cathodic Protection Project is to rehabilitate and preserve the structures by repairing reinforced concrete components damaged by corrosion and installing an impressed current cathodic protection system or replacing an aged cathodic protection system for reinforced concrete components above the ordinary high-water line. Additional work on the structures may be included in the Project. To obtain a Contractor Special Prequalification package, email your request or questions to Kevin Cassidy at [ODOTProcurementOfficeConstruction@odot.oregon.gov](mailto:ODOTProcurementOfficeConstruction@odot.oregon.gov).

**Bids will only be accepted from Contractors who have received written notification from ODOT that they have passed the Contractor Special Prequalification evaluation. Contractors passing the Contractor Special Prequalification will also be required to prequalify under the ODOT Prime Contractor Prequalification process, if they have not already done so, at least ten (10) days prior to bid opening. (See Contractor Special Prequalification Package for information regarding the ODOT Prime Contractor Prequalification process.)**

Contractors that pass the Contractor Special Prequalification may also be required to become TERO certified to successfully bid on identified projects. Check the actual project Special Provisions for TERO requirements

The Contractor Special Prequalification submittal must be received at the address below on or before **10:00 am, Pacific Time, June 11, 2026.**

Submittals must be addressed to:

**Oregon Department of Transportation  
Attn: Kevin Cassidy, CPPB, ODOT Construction Contracts Team Special Prequalification  
355 Capitol Street NE, MS#33  
Salem, OR 97301**
