

## **Sediment Fence**

### **Section 00280.16**

June 2022

### **00280.16 – Sediment Fence**

ODOT maintains a list of products suitable for use as a sediment fence. We use one type of Sediment Fence. Sediment Fence includes fabric and posts. Products need to meet the following requirements and comply with requirements shown in [ODOT Standard Drawing RD 1040](#) on the [ODOT Standard Drawings](#) web page.

### **Specifications**

See Product Evaluation Guidelines 02320.00 – Geotextiles.

- Field sewn seams are not acceptable.
