

ODOT 2020-2021 Training Season Interest Form

Due to ongoing COVID-19 concerns, decisions to provide training, to conduct workshops and to have annual meetings are still being made. If you're interested in any of our events, please fill out and submit this form. Individuals on these mailing lists will receive first priority to the event. We will send an email to the people on the mailing list a week earlier than we advertise the event on any other platform. Complete the information below. Then, select the **Submit Email** button above. Your form will be sent to the ODOT Construction Training team. If you have any questions, please send an email to ODOTConstructionTraining@odot.state.or.us.
