

Buying a vehicle?

Update your address with DMV to avoid delays in titling and registering your car.

Oregon residents are required to update their address with DMV within 30 days of an address change. As part of your vehicle purchase, take a moment to make sure the address on your DMV record is current. Updates to DMV records are immediate when address changes are completed using DMV2U.

Check or update your address online.

Use DMV2U to check your address and update it if needed.

Keeping your address current:

- Helps DMV send important information to the right address.
- Keeps your DMV record up to date.
- Helps protect your online DMV account from fraud.

Update your address within 30 days.
