Remove the Lien from Your Oregon Title

Once your loan is paid off, the security interest holder should release their interest on the title and provide it to you. You need to apply for a new title to remove the security interest holder within 30 days.

Provide the following to DMV:

- The original Oregon title signed by an owner (as shown in the example);
  - If the security interest holder cannot provide the title, or the title is lost, you will need to complete an Application for Replacement Title and an Application for Title and Registration.
  - Instead of printing these applications, you can start your application online at DMV2U if you plan to go to a DMV office within 30 days.
- Original lien releases from any previous security interest holders; and
- The appropriate title fee.

Submit the documents and payment to DMV.
