

# Remove the Lien from Your Oregon Title

Once your loan is paid off, the security interest holder should release their interest on the title and provide it to you. You need to apply for a new title to remove the security interest holder within 30 days.

## ATTENTION:

- You cannot go to a DMV office to title your vehicle. You must mail your title transaction and fees to DMV. It can take **10 weeks** to get your title.
- Please keep images or copies of the documents you mail to us.

### Provide the following to DMV:

- The original Oregon title signed by an owner (see example below);
  - If the security interest holder cannot provide the title, or the title is lost, you will need to complete an [Application for Replacement Title](#) and an [Application for Title and Registration](#).
- Original lien releases from any previous security interest holders; and
- The appropriate title fee.
  - **Passenger vehicle?** Use our online [fee calculator](#)!

Mail all documents and fees to: DMV Services, 1905 Lana Ave NE, Salem, OR 97314
