Add Assembled, Reconstructed, or Replica Brand

These instructions are for vehicles being titled \textit{initially} or \textit{an additional incident has happened} to re-title the vehicle as assembled, reconstructed, or replica. If you are \textit{only transferring ownership} of a vehicle \textit{already titled} as assembled, reconstructed, or replica, follow the instructions for your situation on the Title and Registration page.

A \textit{junk vehicle} cannot be titled in Oregon. Check out the Certification form for definitions and information.

**NOTICE: DMV offices are open by appointment, ONLY for certain services.**

➢ You can request a VIN inspection appointment online.

DMV has partnered with Oregon Law Enforcement to support a "grace period" during the COVID-19 emergency declared by Governor Brown on March 8, 2020. During the emergency, Oregon law enforcement agencies have agreed to be flexible when reviewing the following, if they expire during this emergency:

- Driver licenses and ID cards
- Disabled parking permits
- Plates and registration
- Trip permits and temporary registrations

You may apply for a trip permit online if you are unable to get the requirements below. The grace period will apply to the trip permit, should the state of emergency continue past its expiration date.

Provide the following to DMV:

- A completed Application for Title and Registration;
- The original odometer disclosure;
  - The odometer reading will be “not actual” unless the odometer was replaced, during assembly - see Odometer Repair and Replacement Certification.
- The original title or Manufacturer's Certificate of Origin (MCO) for the frame;
- Original releases or bills of sale from any previous owners of the frame;
- Original releases or bills of sale for major parts used
- A completed Assembled, Reconstructed or Replica Certification;
- A vehicle identification number (VIN) inspection for $7; and
- The appropriate title fee.

Along with all of the requirements listed in the “Title” section for the type of vehicle you are titling, you must also provide the following to DMV:

- If the vehicle does not already have Oregon plates, proof of compliance, or exemption from, the Low Emissions Vehicle (LEV) requirement, if applicable;
- A Certificate of Compliance for passing an emissions test at DEQ if your vehicle is required to be tested and you live in a DEQ area; and
- Your plate choice if the vehicle does not have plates or if you want a different plate.
- The appropriate registration fee, based on your plate choice.

If you need a DEQ test before applying, check out their website for options and closures.

If you apply for registration, you are certifying:

- You currently have, and will maintain, motor vehicle insurance required by Oregon law for as long as you register the vehicle; and
- Your home is in Oregon or you are eligible, or required, to register under Oregon law.
