

Transfer Out-of-State Vehicle into Oregon - With Lienholder

If you are still making payments on your loan or you have a lease, the security interest holder probably has the title. DMV cannot title or register your vehicle in Oregon without the out-of-state title.

Contact your security interest holder to find out how and where they want you to send the application documents (they may have additional requirements and fees).

ATTENTION:

- You **cannot go to a DMV office** to title your vehicle. You must mail your title transaction and fees to DMV. The address is at the end of these instructions.
- Please keep images or copies of the documents you mail to us.
- It may take **10 weeks** for you to receive a title and **5 weeks** to receive plates or stickers.

Depending on how quickly the security interest holder processes your paperwork and submits it to DMV, it can take over 5 weeks to get your plates and stickers.

If your out-of-state plates are expired or you do not have plates, you may [apply for a trip permit online](#) if you are unable to get the requirements below. You should not be cited for [expired plates or trip permits](#) at this time.

Returning Residents

- If you **titled** your vehicle in another state, you must get a new Oregon title and registration (plates).
- If you **only registered** your vehicle in another state, you do not need to title it again. If you still have the Oregon plates, you can use the plates and [renew them](#) if needed. If you do not have the plates, you can [apply for replacements](#).

If you have all requirements and fees, mail your transaction to:
