Transfer Out-of-Country Vehicle into Oregon

Use these instructions if you moved to Oregon and have the out-of-country ownership document or if you are already an Oregon resident and bought a vehicle with an out-of-country ownership document. Some vehicles from other countries do not comply with Oregon requirements and cannot be titled or registered.

Provide the following to DMV:

- A completed Application for Title and Registration;
  - Instead of printing this application, you can start your application online at DMV2U if you plan to go to a DMV office within 30 days.
- The original foreign title or ownership document;
  - If it is lost, contact the other country to get a replacement.
- A certified translation for documents written in any language that uses a different alphabet than English;
- The original odometer disclosure, if required;
- Original releases or bills of sale from any previous owners;
- Original lien releases from any previous security interest holders;
- A completed Certification of Liens;
- A vehicle identification number (VIN) inspection for $7;
- Proof the vehicle meets U.S. Federal Vehicle Standards;
  - This is usually a U.S. Customs and Border Protection Form CF7501 or CBP7501, or original letter from the manufacturer. For questions about U.S. Customs inspection requirements: U.S. Customs and Border Protection: (503) 326-3260, U.S. Environmental Protection Agency (EPA): (734) 214-4100, U.S. Department of Transportation (NHTSA)
  - For vehicles imported by the U.S. military or U.S. military personnel, a written notice or form issued by the U.S. military is acceptable.
- The appropriate title fee.

Submit the documents and payment to DMV.

Along with all of the requirements listed in the section above, you must also provide the following to DMV:

- Proof of compliance, or exemption from, the Low Emissions Vehicle (LEV) requirement;
- A Certificate of Compliance for passing an emissions test at DEQ if your vehicle is required to be tested and you live in a DEQ area;
- Your plate choice; and
- The appropriate fee, based on your plate choice.

Submit the documents and payment to DMV.

If you apply for registration, you are certifying:

- You currently have, and will maintain, motor vehicle insurance required by Oregon law for as long as you register the vehicle; and
- Your home is in Oregon or you are eligible, or required, to register under Oregon law.
