Transfer Out-of-Country Vehicle into Oregon

Use these instructions if you moved to Oregon and have the out-of-country ownership document or if you are already an Oregon resident and bought a vehicle with an out-of-country ownership document. ➢ You can request a VIN inspection appointment online.

DMV has partnered with Oregon Law Enforcement to support a “grace period” during the COVID-19 emergency declared by Governor Brown on March 8, 2020. During the emergency, Oregon law enforcement agencies have agreed to be flexible when reviewing the following, if they expire during this emergency:

- Driver licenses and ID cards
- Disabled parking permits
- Plates and registration
- Trip permits and temporary registrations

You may apply for a trip permit online if you are unable to get the requirements below. The grace period will apply to the trip permit, should the state of emergency continue past its expiration date.

Provide the following to DMV:

- A completed Application for Title and Registration;
- The original foreign title or ownership document;
  - If it is lost, contact the other country to get a replacement.
- A certified translation for documents written in any language that uses a different alphabet than English;
- The original odometer disclosure, if required;
- Original releases or bills of sale from any previous owners;
- Original lien releases from any previous security interest holders;
- A completed Certification of Liens;
- A vehicle identification number (VIN) inspection for $7;
- Proof the vehicle meets U.S. Federal Vehicle Standards;

  - For vehicles imported by the U.S. military or U.S. military personnel, a written notice or form issued by the U.S. military is acceptable.
- The appropriate title fee.

- Proof of compliance, or exemption from, the [Low Emissions Vehicle (LEV)](https://www.dmv.oregon.gov) requirement;
